

REMARKS

Claims 1 through 31 are presented for examination in the present application upon entry of the instant Preliminary Amendment. Claim 32 has been cancelled without prejudice.

The specification has been amended to include the headings required by MPEP 608.01(a). The Abstract of the Disclosure has been amended to conform to the requirements of MPEP 608.01(b).

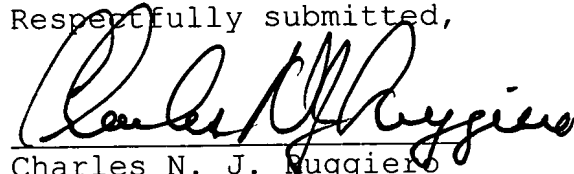

The claims of the present application have been amended to conform to U.S. practice. Specifically, claims 1 through 31 have been amended to remove multiple dependencies, to provide proper process claim verb tense, to correct translation errors, and to provide antecedent basis for all claim elements. Thus, these claim amendments should not affect the scope of equivalents to which these claims are entitled.

In view of the above, it is respectfully submitted that the present application is in condition for examination. Applicants respectfully request favorable consideration and passage of this application to allowance.

If for any reason the Examiner feels that consultation with Applicants' attorney would be helpful in the advancement of the prosecution, the Examiner is invited to call the telephone number below for an interview.
